Hi Gil,

I have talked to our staff and have attached updated information on our permit schedules and contractor requests. We have requested assistance with the hatchery general permit and that spreadsheet is updated. We have also requested contractor assistance for Humboldt Creamery and Bodega Farms, but have not received an answer yet. So below I've included our previous requests for your consideration and our requests for next fiscal year as well. We need to find out about assistance as soon as possible so we can plan allocate our other resources to meet our targets. Please let us know. Thanks.

Additional to the spreadsheet on the hatchery permit, we are requesting assistance on these facilities. Thank you.

FY 13-14 as follows:

Humboldt Creamery	Level 1
Bodega Farms	Level 1

FY 14-15 as follows:

General Dewatering Permit	Level 3
Fort Bragg WWTF	Level 2
Eureka WWTF	Level 2
